EVOKE-1^{XT} Tri-Band

World's Best-Selling DAB Digital Radio

With support for FM, DAB Band III and DAB L-band frequencies, EVOKE-1^{XT} Tri-Band is the long-awaited international version of the world's most popular DAB digital radio.

EVOKE-1^{XT} Tri-Band uses the very latest technology and advanced audio engineering from the world leaders in DAB to provide superb audio fidelity. Tune by station name not frequency, enjoy crystal-clear interference-free audio and view additional scrolling text showing programme information, track listings, news headlines and more.

Built to last, EVOKE-1^{XT} Tri-Band has a USB connector, which enables you to keep it up to date with enhancements and new features from www.pure.com.

With multi-standard DAB, FM with RDS, an alarm for use in the bedroom and a countdown timer for use in the kitchen, EVOKE-1^{XT} Tri-Band is the perfect choice wherever you are.

Available in Maple or
Cherry Veneer

International DAB & FM Radio

Receives DAB Band III, DAB L-Band and FM with RDS. Full character set support for English, French, German, Italian, Norwegian, Spanish, Swedish, Danish and Dutch.

Great Additional Features

Scrolling text provides additional programme information. Countdown timer: Radio and tone alarm. USB connector for product updates. Stereo output via additional speaker.

Superb Sound Quality

Hi-fi amplifier, full-range speaker, solid wood cabinet and bass reflex port deliver unparalleled audio in a portable radio.

TRI-BAND FREQUENCY SUPPORT

Support for DAB Band III and L-Band as well as FM with RDS makes EVOKE-1^{XT} Tri-Band a truly international DAB digital radio.

DAB QUALITY AND EASE OF USE

The DAB transmission standard provides high-quality, interference-free digital audio without the hiss, crackle and fade of AM/FM broadcasts. One touch autotune locates all available DAB stations. Select stations by name and list them alphabetically or in the order you listen to them most. Scrolling text shows additional data such as song titles, artists' names, programme descriptions, news headlines and more.

FUTURE-PROOFED

Whether it's enhancements to the DAB standard or new features from PURE, the USB connector enables you to update your EVOKE-1^{XT} Tri-Band from www.pure.com.

CLASS-LEADING AUDIO

EVOKE-1^{XT} Tri-Band offers class-leading audio quality with its custom designed full-range hi-fi speaker and active filters for a natural 'direct-from-the-studio' sound. It is also bass reflex ported for richer more natural reproduction of low frequencies.

COUNTDOWN TIMER

Easy-to-set countdown timer is great for use in the kitchen.

ALARM

Easy to use tone or radio alarm. EVOKE-1^{XT} Tri-Band's clock is automatically updated from the broadcast signal, so you don't have to set it or worry about resetting it when the clocks go forward or back.

WHITE-ON-BLUE DISPLAY

High-resolution, clear white-on-blue display. Selectable backlight display and brightness adjustment give you complete control. Clock display in standby mode.

OPTIONAL XT-1 SPEAKER

- Complements your EVOKE-1^{XT} Tri-Band in style and finish
- High-performance matching full-range 3" drive unit
- Bass reflex ported
- Solid wood cabinet and metallic grille
- Supplied with 3m cable

Please note that EVOKE-1^{XT} Tri-Band and the XT-1 auxiliary speaker use real wood veneer. As with all natural wood products, some variation in colour is to be expected.

TECHNICAL SPECIFICATIONS

Specifications: Stereo digital radio (stereo output requires optional auxiliary speaker, headphones or external amplifier) with full Band III, L-Band and FM reception.

Frequency range: DAB Band III 174-240 MHz, L-Band 1452-1490 MHz and FM 87.5-108 MHz.
